GO GREEN WITH ONLINE RETIREMENT PLAN STATEMENTS

- ▶ In order to help reduce the impact on environment, we are reducing the number of hard copy statement mailings and “going **green**.”
- ▶ December 31 will be the last hard copy quarterly statement; however, in the first quarter of each new plan year, an annual statement for the prior year will continue to be mailed to you.
- ▶ Access your quarterly statement by going to www.startright.bokf.com and selecting **eStatements**. If you prefer, you may go to the Delivery Method tab to request a mailed paper copy at no additional cost.
- ▶ Change your statement User Profile and add your email address if you wish to be notified when your quarterly statement is available.
- ▶ Contact a Participant Service Representative at 1-800-876-9557 for assistance in accessing your statement online, to request a copy of any previous statement, or to request that a quarterly statement be mailed to you.
