### **Timely Overhead Savings through UPAL MEMBERS' MEDICAL MALPRACTICE INSURANCE PROGRAM**

There's never been a better time to reduce practice overhead expense than now...and there's no better place to start than with your med mal insurance!

Utica Physicians' Association, Ltd. (UPAL) is pleased to offer its Members' Medical Malpractice Insurance Program through our local endorsed insurance agency, CFR.

This program was developed through a special arrangement with Medical Protective Insurance Company (MedPro). MedPro, a member of the Warren Buffett/Berkshire Hathaway Group, is the leading defender and protector of healthcare providers in the U.S., with the assets and reputation to back-up its insured physicians.

Through this program, not only will UPAL Members receive ***exclusive premium discounts***, you will also receive medical liability consultative services through CFR. This agency has been a long-time partner of UPAL and we are confident in their expertise in working with your medical practice.

CFR also represents medical malpractice insurance carriers such as PLICO, Darwin, Lloyds, and many others. With these established relationships in place, CFR will provide a competitive review of cost and coverage resulting in the best value for UPAL members.

UPAL understands the individual needs of its member-physicians to protect their careers and livelihoods. We always encourage them to make carefully informed decisions about medical malpractice coverage and choose the appropriate coverage to fit their individual specialty and practice situation.

This is why UPAL invites you to learn more about UPAL Members' Medical Malpractice Insurance Program and the many services and products it offers UPAL members.

Please call **Craig O'Connor or John Wingerter at CFR, 918/747-8631** to learn more about the discounts and value-added benefits of this Program.
